

0854

Electronic and Information Engineering

085401		New-Generation Electronic Information Technology
085402		Communication Engineering
085403		Integrated Circuit Engineering
085404		Computer Technology
085405		Software Engineering
085406		Control Engineering
085407		Instrument and Meter Engineering
085408		Optoelectronic Information Engineering
085409		Biomedical Engineering
085410		Artificial Intelligence
085411		Big Data Technology and Engineering
085412		Network and Information Security

0855

Mechanical Engineering

085501		Mechanical Engineering
085502		Vehicle Engineering
085503		Aeronautical Engineering
085504		Astronautical Engineering
085505		Ship Engineering
085506		Arms Engineering
085507		Industrial Design Engineering
085508		Agricultural Machinery Engineering
085509		Intelligent Manufacturing Technology
085510		Robots Engineering

0856

Materials and Chemical Engineering

085601		Material Engineering
085602		Chemical Engineering
085603		Metallurgy Engineering
085604		Textile Engineering
085605		Forestry Engineering
085606		Light Industry Engineering

0857

Resources and Environmental Engineering

--	--	--

0859

Civil and Hydraulic Engineering

085901		Civil Engineering
085902		Hydraulic Engineering
085903		Ocean Engineering
085904		Agricultural Water-Soil Engineering
085905		Municipal Engineering
085906		Built Environment

0860

Biological and Pharmaceutical Engineering

086001		Biotechnology and Bioengineering
086002		Pharmaceutical Engineering
086003		Food Engineering
086004		Fermentation Engineering

0861

Transportation Engineering

086101
